

MARYLAND VOTE 2026

MARYLAND PRIMARY ELECTION CANDIDATE SURVEY GENERAL ASSEMBLY DISTRICT 3

VOTE JUNE 11-18 (early voting) | JUNE 23 (Election Day)

ABOUT THE SURVEYS

The Maryland Catholic Conference surveyed candidates seeking office in the General Assembly (as well as Governor and Congress; see separate documents).

Candidates could choose “agree” or “disagree” and/or provide a statement for these questions:

ASSISTANCE TO THE POOR. Funding in Maryland’s budget should be maintained, and when necessary, increased to provide low-income residents access to basic necessities, such as food, housing and healthcare.

ENVIRONMENT. The State of Maryland should support initiatives such as tax credits or grant programs to encourage Maryland residents, businesses and non-profits to reduce their carbon footprint.

K-12 EDUCATIONAL OPTIONS. The State of Maryland should continue to expand existing funding to provide scholarships for low-income students who wish to attend the K-12 nonpublic school best suited for their educational needs.

PHYSICIAN ASSISTED SUICIDE/MEDICAL AID IN DYING. In 1999, the Maryland General Assembly passed legislation making it a felony for an individual to assist in another individual’s suicide. Maryland should uphold the law in its current form and reject legislation to legalize the practice of physician-assisted suicide/medical aid in dying.

5. WHY SHOULD MARYLAND CATHOLICS VOTE FOR YOU?

3	R	Angela McIntosh	<p>I prefer to be fully informed on issues before responding to surveys. What I can tell say is that I am pro-common sense. I am a Christian, and certainly in favor of blessing those who are less fortunate, which includes the unborn as well as those already born. I am in favor of a clean environment. I favor education that prepares children to function well in the work environment and contribute to the benefit of society, in accordance with their specific giftings and talents. Should I win office, perhaps we can engage further on these issues. Thank you.</p>
